BULLSEYE IMPLEMENTATION TIMELINE

1

Pre-Work
1. Send your instructional framework
2. Fill in your staff rosters
3. Schedule your kickoff call

2

Account Configuration
Bullseye will set up your accounts and templates so you can start using the system right away.

3

Kickoff Call
1. Review your Bullseye prototype
2. Answer any questions
3. Set a timeline for training

4

Admin Training
Set aside 60-90 minutes with your admin team and complete the video-based training within Bullseye with your team.

5

Teacher Training
Set aside 30-45 minutes of professional development and have teachers complete video-based training.

6

Go Live
Begin taking your first sessions in Bullseye!

7

Ongoing Support
Throughout the year we will meet for short check-ins to review and analyze your data and to ensure your success.
