

BULLSEYE IMPLEMENTATION TIMELINE

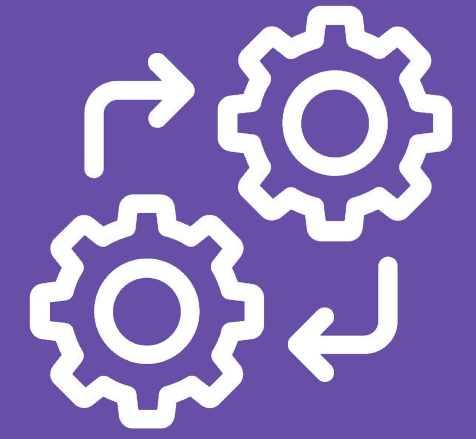

1

Pre-Work

1. Send your instructional framework
2. Fill in your staff rosters
3. Schedule your kickoff call

2

Account Configuration

Bullseye will set up your accounts & templates so you can start using the system right away.

3

Admin Training Kickoff Call

Review your Bullseye prototype & participate in a 60-minute virtual training session with your admin team and your Bullseye Customer Success Manager.

4

Teacher Training

Set aside 30-45 minutes of professional development time to deliver our Bullseye Teacher Training presentation to your staff.

5

Go Live

Begin taking your first sessions in Bullseye!

6

Ongoing Support

Throughout the year we will be available for short check-ins to review and analyze your data and to ensure your success.
